REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully

requested.

By the present preliminary amendment a new Abstract believed to be in more proper

format under United States practice is submitted.

Further, claims 1-30 are canceled without prejudice and new claims 31-60 are

presented for examination. New claims 31-60 are deemed to be self-evident from the original

disclosure, including the original claims, and thus are not deemed to raise any issues of new

matter. Further, new claims 31-60 are not believed to be more narrow in scope in any aspect

in comparison with canceled claims 1-30.

The present application is believed to be in condition for a full and through

examination on the merits. An early and favorable consideration of the present application is

hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,

MAIER & NEUSTADT, P.C.
